

BUY A BRICK

and be part of the Cross Miracle in Richmond,
Indiana!

We are asking you to assist us in building the miracle cross, and for each \$150.00 given to us to build the cross, we will buy a brick with your name, city and state on it and place it at the foot of the cross.

Our miracle cross on our property at I-70 is projected to look like this cross that is near Tennessee on I-75

It is estimated that 60,000 drivers pass by the property of New Creations daily. This cross miracle is such a powerful statement to those drivers of the grace of God.

“For the preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God.”

1 Corinthians 1:18 (KJV)
